

THE HOT LIST

THE TOP TEN THINGS WE AT HEAT ARE COMPI

1

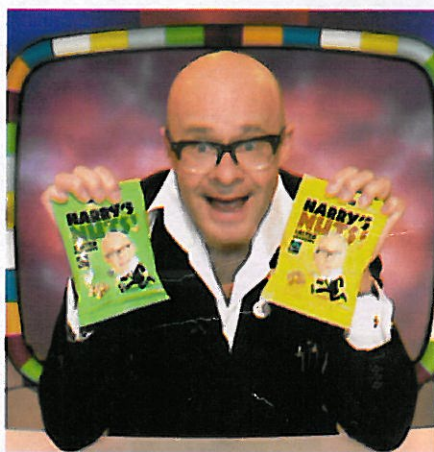

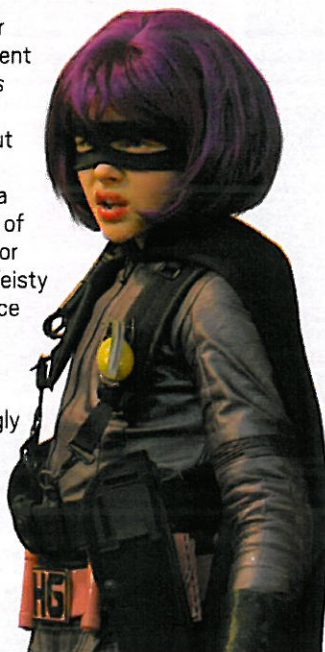

AMAZING EASTER TV!

A new Doctor Who, a new series of *Outnumbered*, a one-off *Jonathan Creek* and a star-studded comedy gala. Oh yes.

2 CHLOE MORETZ IN KICK-ASS

Our love for every element of *Kick-Ass* knows no bounds. But little Chloe must take a huge share of the credit for her super-feisty performance as the shockingly swearsy, unrelentingly violent super-heroine Hit Girl. Girl power!

3 HARRY HILL'S FAIRTRADE NUTS

Harry Hill really *is* backing these packets of salted nuts – they're Fairtrade and not-for-profit and they're available in Sainsbury's, Waitrose, vending machines and other outlets.

4

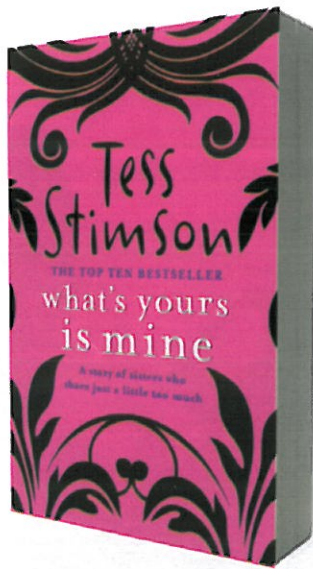

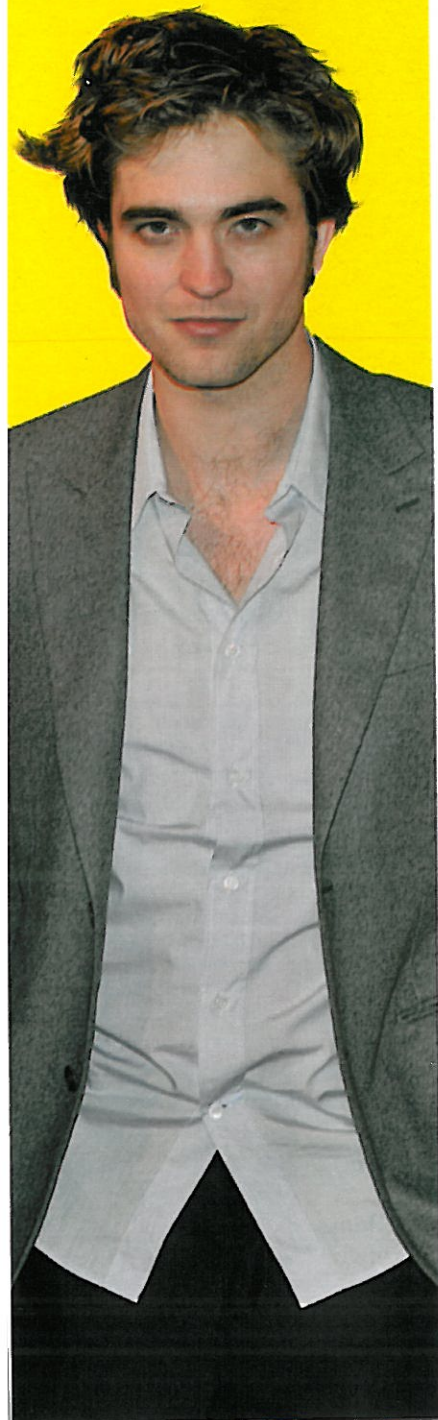

HOT CHIP'S GLORIOUS VIDEO FOR I FEEL BETTER

Directed by comedian Peter Serafinowicz, this spoof of boyband vids is the most original pop promo in ages. See it at heatworld.com

5

R-PATTZ IS BACK

He's not only good at playing a vampire, oh no. He's also good at doing a broody young rebel in a doomed romance. Rob proves it in sexy style in new movie *Remember Me*.

6 WHAT'S YOURS IS MINE BY TESS STIMSON

Brilliantly enjoyable novel about rival sisters and surrogate parenting – quite unlike anything we've read in ages. Put it on your bedside table right now!

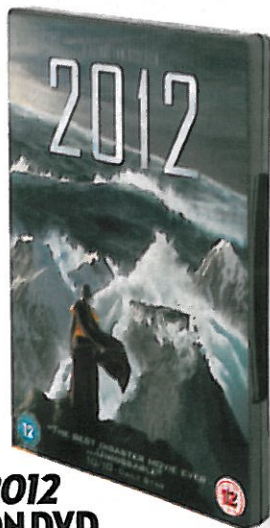

7 MADONNA'S TOUR DVD/CD BARGAIN

For the price of a regular album, you get to hear tunes from one of the fabulous shows on Madge's recent *Sticky & Sweet* tour and watch the spectacle on DVD.

8 GET HIM TO THE GREEK TRAILER

Search for Russell Brand at heatworld.com and you'll find the hilarious adults-only trailer for his forthcoming comedy movie extravaganza *Get Him To The Greek*.

9 2012 ON DVD

Enjoy the gloriously over-the-top spectacle of the world being destroyed, all in the comfort of your own home, as ludicrously fun blockbuster *2012* arrives on DVD.

10 JLC'S "PRIVATE DANCER"

We're loving the bit on Justin's *Five* chat show when he gets a lady from the audience to watch three blokes dancing uncomfortably for her and she gets to date the best.
